RE: Updates to the Acceptability of Graduate Transfer Credit Policy

Upon the recommendation of the Professional Graduate Program Taskforce, the Graduate College proposed updating the Acceptability of Graduate Transfer Credit policy to support professional practice programs (<https://grad.arizona.edu/faculty-and-staff/professional-practice-graduate-degree-designation>). The updated policy was approved by the Graduate Council, Graduate College Academic Administrators Council, Faculty Senate, and the Provost. The amendments to the policy include the following:

- Allowed up to 40% of degree requirements for professional practice programs, as approved by the Graduate College, to be transferred from a regionally-accredited institution.

The amended **Acceptability of Graduate Transfer Credit** policy will be effective Fall 2026. The full policy is available at: <https://catalog.arizona.edu/policy/courses-credit/credit/graduate-transfer-credit>.

Questions about the policy update should be addressed to the Office of the Registrar at [catalog@arizona.edu](mailto:catalog@arizona.edu).
