RE: Transfer of Certificate in College Teaching into a Graduate Interdisciplinary Program

The Certificate in College Teaching (CCT), currently housed in the Office of Instruction and Assessment, has a long history of excellence at the University of Arizona. The broad applicability and interdisciplinary nature of this certificate make it a perfect fit for a Graduate Interdisciplinary Program (GIDP). The faculty within CCT have convened to create a College Teaching GIDP and their GIDP Bylaws have been reviewed and approved. The Graduate College approves the transfer of ownership of the Certificate in College Teaching (CCT) program and the graduate courses with an IA prefix. Specific details regarding staff, faculty, financial and other program matters of the College Teaching GIDP will be determined separately.
