Tuition Policy for Citizens of Freely Associated States Exception

Tuition and residency classification policy for Arizona's three state universities (The University of Arizona, Arizona State University and Northern Arizona University) is set by the Arizona Board of Regents as authorized by the Arizona State Legislature. The general rule for resident classification for tuition purposes includes evidence of 12 months continued physical presence with concurrent permanent intent to be a resident of Arizona. The Arizona Board of Regents Policy on Residency can be found at: <https://www.azregents.edu/policy-manual>.

If, however, a student can demonstrate **the following condition** they may be eligible for an Arizona residency classification for tuition purposes without meeting the one-year durational requirement:

- 1) The student is a citizen of the Federated States of Micronesia, the Republic of the Marshall Islands, or the Republic of Palau.

Attach one of the following to verify your claim to the Citizens of Freely Associated States exception:

- A copy of your passport for the Federated States of Micronesia, the Republic of the Marshall Islands, or the Republic of Palau. OR
- A copy of your birth certificate for the Federated States of Micronesia, the Republic of the Marshall Islands, or the Republic of Palau.

The information provided in this petition is true. I understand that if I am found to have made a false or misleading statement in this petition, I may be subject to discipline including dismissal from the University of Arizona.
