\*\*Important Information Fall 2020 - Flex In Person\*\*

**4** This class will be structured to allow students to participate via a mix of in-person and online modes. The exact mix of in-person and online components will be determined by the instructor. Students should check the D2L course site for guidance from the instructor prior to attending the class in-person.

Students should be available during all scheduled class meetings and follow all health and safety guidelines. Some components of this class will be offered in a classroom setting, modified for physical distancing and enhanced disinfectant routines. Students will be required to wear face coverings at all times when in the classroom.

Students who are unable to come to class due to illness or a need to self-isolate for a period during the semester will be able to stay current with class work via remote or online methods.
