Quick Enrollment is the page in UAccess where users with enrollment access can complete enrollment transactions such as Enroll (add), Drop, Swap (add/drop), and Normal Maintenance (change enrolled units and/or grading basis). In most cases, students will complete enrollment through their UAccess Student Center. However, some enrollment transactions require departmental review and action. This resource guide is for the department enroller performing those functions within Quick Enroll. All enrollment transactions must adhere to Academic Policies and Dates & Deadlines.
