### Tuition Policy for Federal Service in Arizona Exception

Tuition and residency classification policy for Arizona's three state universities (The University of Arizona, Arizona State University and Northern Arizona University) is set by the Arizona Board of Regents as authorized by the Arizona State Legislature. The general rule for resident classification for tuition purposes includes evidence of 12 months continued physical presence with concurrent permanent intent to be a resident of Arizona. The Arizona Board of Regents Policy on Residency can be found at: <https://www.azregents.edu/policy-manual>.

If however, a student can demonstrate **one of the following conditions** they may be eligible for an Arizona residency classification for tuition purposes without meeting the one-year durational requirement:

- 1) the student is a member of a qualifying federal service who is on active duty for a period of more than 30 days and whose domicile or permanent duty station is in Arizona OR
- 2) the student is the spouse or dependent child of a member of a qualifying federal service who is on active duty for a period of more than 30 days and whose domicile or permanent duty station is in Arizona

### Attach the following documentation in support of your claim to the Service Member Stationed in Arizona exception:

- A copy of the orders or contract stationing the service member in Arizona, AND
- If the student claiming this exception is the spouse, include a copy of the marriage certificate
