

GRADE APPEAL POLICY AND PROCESS

A student may appeal a grade by using the following procedures. Where mentioned, the words college, dean, and department head are the department or college in which the course being appealed is offered. A week consists of five business days or seven calendar days. Grade appeals are not processed during the summer term unless the dean determines a case warrants immediate review, such as those for students with an expected Spring graduation. Please note that a grade appeal is only available before a student's degree is awarded.

For the full process and reasons for appeal, please see:

Step 1

Student responsibility: Submit all forms located on the Office of the Registrar's website and any supporting documentation to the instructor, department head, and the Office of the Registrar (gradeappeal@arizona.edu) by the end of the fifth week of the regular term (fall/spring) after the term in which the grade was awarded.

Step 2

Instructor responsibility: Respond to the student and the Office of the Registrar in writing within two weeks of receiving the appeal.*

Student responsibility: If the instructor is not available or does not resolve the matter satisfactorily within a two-week period*, resubmit the appeal to the department head and the Office of the Registrar within the following week.

*For grade appeals submitted prior to the start of the regular fall/spring term, the instructor will respond within 2 weeks of the start of that term.

Step 3

Department Head responsibility: Consider the written statements of the student and instructor, confer with each, and inform both parties and the Office of the Registrar of their recommendation in writing within one week of completion of step 2. The instructor is not required to follow the recommendation.

Instructor responsibility: Notify the student, department head, and the Office of the Registrar of their decision in writing within one week of receiving the department head's recommendation.

Student responsibility: If the department head does not act on or resolve this matter satisfactorily within a two-week period, resubmit the appeal to the dean and the Office of the Registrar within the following week.

Step 4

- A. **Dean responsibility:** Within one week of the completion of step 3, review the student's appeal.
Dean responsibility (optional): Convene a committee to review and make a recommendation.
- B. **(Optional)** When convened, a committee of five members will review the case.
Committee responsibility: Provide a written report with recommendations to the student, the instructor, the department head, the dean, and the Office of the Registrar within two weeks of being convened by the dean.
