Re: Notification of Academic Unit Name Change

This memorandum serves as formal notification and official record for approval to rename the School of Business Analytics owned by the Eller College of Management (3001) to the HSLopez School of Business Analytics by way of [ABOR policy 1-117](#) that states that the University Presidents shall have the authority to approve the naming of University facilities and programmatic units for individuals and organizations. The first term valid for the new name is fall 2024 which matches the first term valid of the school in general.

By copy of this memo, I am requesting that appropriate changes be made to systems, records, and publications to reflect the updated name.
