Re: Notification of College Integrations – Addendum

This memorandum serves as formal notification and official record for approval, in combination with the Academic Unit Integrations Announcement sent by then Provost Ron Marx on April 16, 2025 to integrate the College of Applied Science and Technology into the College of Information Science and the May 5 memo for phase I of integrations. The details of this addendum are as follows:

-Academic programs, prefix and courses in the Human Services (HSV) domain will transfer ownership from the College of Applied Science & Technology to the College of Agriculture, Life & Environmental Sciences, Norton School of Human Ecology (1236). This includes the HSVBAPS, HSVBAPS2 majors, HSVMINU undergraduate minor, and the HUSV prefix along with the courses.

By copy of this memo, I am requesting that appropriate changes be made to systems, records, and publications to reflect the added changes to the college integration.
