

MEMORANDUM

Date: June 16, 2025

To: Nicole Kontak, Assistant Dean, Curricular and Academic Affairs, College of Applied Science & Technology
David W. Hahn, Dean, College of Engineering

From: Greg L. Heileman, Vice Provost, Academic Affairs

Re: Notification of College Integrations – Addendum

This memorandum serves as formal notification and official record for approval, in combination with the Academic Unit Integrations Announcement sent by then Provost Ron Marx on April 16, 2025, to integrate the College of Applied Science and Technology into the College of Information Science and the May 5 memo for phase I of integrations. The details of this addendum are as follows:

Academic programs, prefixes, and courses in the Intelligence and Information Operations (IIS) domain will transfer ownership to the College of Engineering, Engineering Administration (2301). This includes the IISBAPS, IISBAPS2 major and its subplans, IISMINU undergraduate minor, IWCRTU and SIEWCRTU undergraduate certificates as well as all courses under the INTV prefix and the prefix itself along with CYBV 351, 354, 437, and 450 courses.

By copy of this memo, I am requesting that appropriate changes be made to systems, records, and publications to reflect the additional changes to the college integration.
