### Tuition Policy for Native American Exception

Tuition and residency classification policy for Arizona's three state universities (The University of Arizona, Arizona State University and Northern Arizona University) is set by the Arizona Board of Regents as authorized by the Arizona State Legislature. The general rule for resident classification for tuition purposes includes evidence of 12 months continued physical presence with concurrent permanent intent to be a resident of Arizona. The Arizona Board of Regents Policy on Residency can be found at: <https://www.azregents.edu/board-committees/policy-manual>

If however, a student can demonstrate **one of the following conditions** they may be eligible for an Arizona residency classification for tuition purposes without meeting the one-year durational requirement:

- 1) The student is an enrolled member of an Indian tribe recognized by the United States Department of Interior whose reservation land lies wholly or partially in Arizona and extends into another state and is a resident of the reservation **OR**
- 2) For purposes of residency classification, enrollment as a tribal member in a federally recognized Arizona tribe will be sufficient to establish residency for tuition purposes.

Upload your Certificate of Indian Blood or Tribal Identification Card in support of your claim to the Native American Exception on the following website: <https://apps.arizona.edu/TribalVerification>
