

Setting Up a 100% Engagement Course

SETTING UP A 100% ENGAGEMENT COURSE

Departments may work with [Student Engagement & Career Development](#) to design a [100% Engagement](#) course to provide students with a uniquely integrative educational experience. Completing a 100% Engagement course allows students to earn an “Engaged Learning Experience” notation on their transcript.

When setting up a 100% Engagement course, you must always add two engagement attributes: one [activity](#) and one [competency](#) (see example below).
