RE: Transfer of Instruction and Assessment prefix and graduate courses

In partnership with the Graduate College, the faculty in the Office of Instruction and Assessment (and later University Center for Assessment, Teaching, and Technology) have been working toward establishing a Graduate Interdisciplinary Program in College Teaching. The new GIDP will be the "home" for the Graduate Certificate in College Teaching program. As chair of the GIDP and leader of the Office of Instruction and Assessment/co-leader of the University Center for Assessment, Teaching, and Technology, I request transfer of ownership of the IA prefix and the IA graduate-level courses listed below to the Graduate College, and that this transfer of ownership be effective on May 15, 2023, or as soon as possible thereafter.

Specific details regarding staff, faculty, financials, and other program matters will be determined separately.

**Graduate courses:**

- IA 697a Learner-Centered Teaching (2 credit units)
- IA 697b Using Technology in Teaching (2 credit units)
- IA 697p College Teaching Practice (3 credit units)

- IA 597d Diversity, Equity, and Inclusion in College Teaching (3 credit units)
