LOA for NDS students.

Eligible policy

Campus and Plan Change Policies

What policies do we need to improve?

This meeting is introducing me to a whole new world. Where can faculty track all this valuable work as it goes on?

The AMP policy.

Concrete reasons for deleting a inactive course.

Residency requirements

Readmission- since the update of eligibility process, I feel like readmission needs to be reevaluated to address eligibility.

Advisor access to financial aid information to support students

Revisit honor roll for post-trad students (including part-time enrollment)

Requiring minors for students who are completing a dual degrees.

Campus change process

What policies do we need to improve?

Unified major change processes

GRO

Readmission

Non-degree seeking limit of 15 units for undergrads

Deadlines not landing on weekends

Changing campuses for students

Many policies say to contact the Dean of your college, when that isn't always the right person. For example, unit overloads (> 19 units).

The drop date policy for online students, sending diplomas to students abroad in other countries as our Global Direct programs through UA Global grow.

Read mission and general education and eligibility

What policies do we need to improve?

Certificate Graduation Application on UAccess

Advisors access to financial aid info

Admission deferment

No more DAWs!

Advisor access to the new UAccess.

Campus Change Process

Inconsistencies in policy during summers (complete withdrawal, etc)

University-wide major declaration policies

sequential vs. concurrent majors and the 150 unit requirement

What policies do we need to improve?

Not a policy, but the Trellis version of the late change petition has a lot of issues.

Admission deferral policy

Global Campus policies

Automate workflow process for DAWs

Deferral of admission - easier process to help with recruitment.

Back2UA Program

Complete withdrawal for summer!

Late Withdrawal Deadlines/Late Petition Deadlines

Withdrawal and late change petition deadlines.

What policies do we need to improve?

DAW requirements for major/minors - make consistent. (or just cut/automate)

Admission deferral

Late change petitions

General Petitions in the Summer

Eliminate the need for Dean's approval to extend incompletes beyond one year (before they have converted to E).

Degree Audit system in place of ADVIPs

"Graduate Credit for Seniors" (title of this policy doesn't seem to fit with how other policies are titled).

Is the W policy being applied correctly for undergrads enrolled in 500-level courses? According to the memo, dates should be based on the course career, not the student. (Memo is on ARC website from May 2014).

Live online approval if it is here to stay.
