

Petition for Extension of Coursework for an Incomplete Course

Students who have extenuating circumstances and cannot complete incomplete coursework by the original deadline may request to extend the deadline. If the incomplete grade is not removed by the instructor within one year (the last day of finals one year later), the I grade will convert to a failing grade.

Undergraduate Courses

- The one-year limit may be **extended for one additional year** if, prior to converting to an E, the extension is approved by the instructor and the dean of the college in which the student is registered.
- Once the I has converted to an E, a one-year extension will only be considered for an undergraduate course if the student submits an appeal to the University General Petition Committee.
- A request for an extension of time beyond 2 academic years of the original course enrollment requires approval by the General Petition Committee.

Graduate Courses

- The **one-year extension** must be approved by the instructor and Graduate College dean. This extension requires the instructor and dean's signature on a Extension of Incomplete Coursework form. Notification of the dean's approval or denial is to be provided to the student by the dean's office. A copy of the approved or denied Petition must then be forwarded from the dean's office to the Office of the Registrar, Administration 210, for appropriate processing.
- For courses taken for graduate credit, an extension beyond 2 academic years may be considered only by the Graduate College.
