## 081 LIVE!... and A SMOOTH TRANSITION TO 074

Many thanks are due to all departments for, so far, a smooth start to the Fall semester. Changes to the Schedule of Classes have slowed, and we thank you for your patience in the last few weeks. Many thanks also to our staff and student workers for handling the Add, Cancel, and Change Forms submitted to our office. They have worked hard to keep quick turnarounds for your requests. Please be patient with the inevitable games of phone tag as we try to contact you.

As you know by now, 081 Schedule of Classes went live on Thursday, the 13th. Any changes submitted to our office after July 9th will begin to be processed by Monday in the order they were received. Any comments for Tier One courses can be submitted now with the appropriate section number. (See Fernando's email sent Monday, the 10th, for the section numbers assigned to your department.)

## 074 EVENTS SCHEDULING

Any Event Requests submitted before the start of the semester occurring after the first two weeks of the term, including those portions of ongoing events meeting throughout the semester, should now be scheduled. If you have not received confirmation for your event please let us know. We appreciate your patience while we make all necessary arrangements for course scheduling first.

# WINTER 081

Greenbars are not required for Winter Session courses. Please submit online forms for your department's Winter 2008 schedule. We don't have a hard deadline for those just yet but, keep in mind, the sooner the better!

**September FACTS:**

- Lead was declared illegal in paint on September 1, 1977...did you hear that China?!
- Mark Spitz became the first athlete to win 7 Olympic Gold Medals on September 4, 1972.
- Vanessa Williams became the first black Miss America on September 16, 1983.

## September is... CHICKEN MONTH!

When allowed to enjoy fresh air, sunshine, and companionship, chickens are remarkable animals, each with a distinct personality. People who have rescued chickens or kept chickens as companions know that they're like dogs, celebrating "Mom and Dad's" return home with excited sounds.

## SUMMER 082 AND 083

Thanks to all who came out to Greenbar Training for 082 and 083. As was stated at training, **Greenbars for summer are due October 1st**. Please do not forget to include your department's SUBJ Comment with your submission. One thing we forgot to mention at training: If any department rep would like his or her Greenbar looked over by someone in RCS before the final submission, please let us know. We are happy to help and answer any questions. Just give us a call or send us an email to set up a meeting!

## 074 FINALS

Please take a moment to look over the Finals Schedule for this semester <http://www.registrar.arizona.edu/schedule074/exams/074exams.htm>. Check the times for regular course finals and, for those that apply, common finals. Finals week begins December 7th!

## WEEKEND EVENTS

We'd like to clarify a few things about events scheduled for weekends:

In coordination with Campus Security, RCS is limiting the buildings available for scheduling on the weekends to M LNG, HARV, CHVEZ, and S SCI.

Any events using technology scheduled before 8am or after 5pm Saturdays will accrue a technician service fee.

Any events using technology scheduled any time on Sundays will accrue a technician service fee.

Any rooms locked or facilities issues with Events scheduled in the ILC should be directed to the ILC Building Manager during weekend hours. The ILC Building Manager is Kate Rehkopf, and she can be reached at (520) 204-7695. The complete Building Manager List is posted on our website.

## DATES TO REMEMBER:

**September 13, 2007**

081 Schedule of Classes goes live.

**September 14, 2007**

Last day for students to use WebReg to drop a course.

**October 8-12, 2007**

Begin 081 Priority Registration.

**November 12, 2007**

Veterans Day— no classes.

## SCREEN 131 TRAINING:

Friday, September 14, 2007  
10-11:00am

Thursday, September 20, 2007  
2-3:00pm

Seating is limited.  
Call us at 621-3313 to sign up!

Chris Ryan has worked at RCS since January 2007. He is a sophomore Engineering Major but lately has been considering a career in medicine. He's already changed his major quite a few times, but such is the nature of a musician. Chris plays the drums, and his band has had a few gigs around Tucson. He's from Tucson originally and received a full tuition waiver to attend the UofA. Though he is the middle of three children, Chris says he never felt ignored by his parents. They probably couldn't ignore him banging on pots and pans!
