**Fall 2020 Class Formats**

**THE ROAD BACK**

A guide for in-person and online courses in Fall 2020

We're so glad to welcome you for a new school year. As you probably know, your classes this fall will look a little different than usual.

The University of Arizona will offer four types of classes, ranging from fully in-person to fully online. You will be able to identify which format your courses will feature by reviewing your schedule in UAccess Student. All courses will provide options for students who are unable to come to campus due to illness or other temporary circumstances, as well as for graduate students who may need to remain remote for the duration of the semester.

Undergraduate students planning to remain remote for the duration of the semester should enroll in Live Online or iCourses where possible.

**THE FOUR COURSE FORMATS**

**IN-PERSON**

Students and instructors all attend class in person with enhanced health protections, including wearing face coverings and decreasing classroom density.

**FLEX IN-PERSON**

Students participate in a mix of in-person and online modes. For example, you may be in a rotating group that alternates between in-person and online meetings following the weekly class schedule. Or you may participate in lectures online and labs in person. The exact mix of in-person and online will be determined by your instructor.

**LIVE ONLINE**

The instructor and students are online simultaneously, and your instructor provides content in a live online platform.

**iCOURSE**

For the majority of coursework, students and instructors are not required to be online simultaneously, and students complete their work through D2L.

---

**In Person** – Students and instructors attend class in person with enhanced health protections, including wearing face coverings and decreasing classroom density.

**Flex in-Person** - Students participate in a mix of in-person and online modes. For example, you may be in a rotating group that alternates between in-person and online meetings following the weekly class schedule. Or you may participate in lectures online and labs in person. The exact mix of in-person and online will be determined by your instructor.

**Live Online** - The instructor and students are online simultaneously, and your instructor provides content in a live online platform.

**iCourse** - For the majority of coursework, students and instructors are not required to be online simultaneously, and students complete their work through D2L.

Step 2

Fall 2020 Class Formats

If you are already enrolled in classes:

Navigate to the Enrollment menu and click on Schedule
Select the Fall 2020 Term
Choose **List View** or **Weekly View**

The List View will show your classes along with their meeting dates and locations.

Click **View More Details** to view detailed information about the course – including the course format and important class notes.
Step 5

Class Details: In-Person Class

The Instruction Mode is the Class Format

Meeting Information includes the dates, times, and locations

For most classes after Thanksgiving the in-person meeting will transition to online.
**Step 6**

**Class Details: Flex In-Person Class**

---

**MATH 112 - 004 College Algebra Concepts and Applications**

- **University of Arizona - Main**
- **Tucson**
- **8/24/2020 - 12/5/2020**

**Topics**

Topics include properties of functions and graphs, linear and quadratic equations, polynomial functions, exponential and logarithmic functions with applications. A graphing calculator is required for this course. We recommend the TI-83 or TI-84 models. Calculators that perform symbolic manipulations, such as the TI-89, NSpire CAS, or HP50g, cannot be used. Except as per University policy on repeating a course, credit will not be given for this course if the student has credit in a higher level math course. Such students may be dropped from the course. Examinations are proctored.

**Status**

Open w/Req

**Class Number**

49243

**Session**

Regular Academic Session

**Units**

3 units

**Career**

Undergraduate

**Class Components**

Lecture Required

**Instruction Mode**

Hybrid (Flex In-Person)

**Grading**

Regular Grades A, B, C, D, F

**Important Information Fall 2020 - Flex In Person**

This class will be structured to allow students to participate via a mix of in-person and online modes. The exact mix of in-person and online components will be determined by the Instructor. Students should check the D2L course site for guidance from the Instructor prior to attending the class in person. Students should be available during all scheduled class meetings and follow all health and safety guidelines. Some components of this class will be offered in a classroom setting, modified for physical distancing and enhanced disinfectant routines. Students will be required to wear face coverings at all times when in the classroom. Students who are unable to come to class due to illness or a need to self-isolate for a period during the semester will be able to stay current with class work via remote or online methods. **Course Requisites:** credit allowed for only one of the following courses: MATH 110 or MATH 112.

---

**Flex In-Person Classes** will have an Instruction Mode of Hybrid (Flex In-Person)

There will be a meeting pattern of ‘Flex-In Person’ along with the classroom location for any physical meetings.

Students should check D2L course site for guidance from the instructor prior to attending the class in-person.
Live Online classes will have an Instruction Mode of Live Online.

Students will meet during the scheduled meeting pattern; all times are in Arizona time.
iCourses will have an Instruction Mode of Fully Online.
Step 9  

**Using Class Search**

Navigate to the **Enrollment** menu and click on **Class Search** or select **Class Search** from the quick links on the homepage.

Students should use Class Search in the UAccess Student Center to easily add classes to their shopping carts and enrollment.

The public can view Class Search at:  [schedule.arizona.edu](http://schedule.arizona.edu)
To find a class by a specific Class Format, open the **Advanced Filters** and use **Mode of Instruction**.
